212 MEDICAL CENTER FURTHERS CITY'S STRATEGIC GOALS

The City of Chaska is pleased that the Two Twelve Medical Center will open in February 2011. The opening of this facility advances one of the City's most important strategic goals, which is to create jobs through economic development.

Located on the northeast corner of Highways 212 and 41, the Two Twelve Medical Center will offer high-quality care in an outpatient setting that is easily accessible to consumers in the west metro area. Unlike any other medical facility in the region, the Two Twelve Medical center will feature primary and specialty clinics, 24-hour emergency/urgent care, rehabilitation therapy, imaging, laboratory and pharmacy services, as well as a lobby concierge.

Applications for employment will begin in the fall of 2010. If you would like to know more about the Two Twelve Medical Center, please visit www.twotwelvemedical.org.
