WELCOME TO THE NEW SCHOOL YEAR!

The City of Chaska would like to take this opportunity to welcome all students, teachers, and faculty back to the 2010-2011 school year. We are very proud to have such a wonderful educational system through the public and private schools of the Eastern Carver County School District. Over the next year the full transition of the two high schools will be complete, with the first graduating senior class of Chanhasen High School and the final alignment of the Chaska High School student population now complete. The City is very excited to have such a rich tradition and partnership with our Chaska schools. We look forward to another great year of having our students, teachers, and staff making our community proud of their many achievements.

To help celebrate the beginning of the school year, the City of Chaska is once again working with Chaska High School on the homecoming festivities scheduled for September 20-24. The event will include the king and queen coronation at the gazebo in City Square Park on Monday, September 20th at 7:00 pm. The homecoming parade will take place on Friday, September 24th at 4:00 pm in downtown Chaska. The City highly encourages residents to attend these events, to emphasis the pride we have in our schools and community.

Finally, we would like to welcome the new Eastern Carver County School District Superintendent, Dr. James Bauck. The City of Chaska looks forward to our continued partnership with the School District. GO HAWKS!

ROADS TO REOPEN IN TIME FOR SCHOOL

By the end of this week the City of Chaska expects that the major road closures within the community will be open to accommodate the school traffic that will start on Tuesday, September 7th. Specifically, the two projects coming to a close are Hundertmark Road east of Highway 41 and the downtown median and signal project. Both projects should be completed by Labor Day for full traffic movement.

Questions about any of the road projects may be directed to the City Engineer, Bill Monk, at 952-448-9200.
