## Homeless in our Community

Currently, there are people in our community who have nowhere to stay. We know of those sleeping in cars with their children, an elderly couple sleeping in their car, those camping out, a man living in a pole barn, a young woman sleeping in a tree house and open garages, and many more. A record number of families are calling CAP, but available resources cannot meet the overwhelming need.

It is time for us as a community to come together to find solutions to poverty and homelessness in our midst.

To this end, **HeadingHome Scott- Carver** is holding a second community meeting.

**Thursday, January 12<sup>th</sup>, 2012  
from 7 p.m. to 9 p.m.**
