Do you have several  
senior citizens in planning  
team?

## Chaska Planning Commission -

Thank you for working so hard on  
making Chaska the best possible.

After reading the Herald this week,  
may I please ask -

- ① Another Mexican Restaurant? Chipotle  
with E-coli history?
- ② Aldi Really?? Another grocery store  
by Cub Hyvee still a possibility?
- ③ Can we consider a healthier sit down  
restaurant like Panera? A place where  
folks can sit with Wi-Fi longer periods  
of time with family?
- ④ Shakopee has so many choices that are  
different categories, can we also? We  
don't have a Burger King, Taco's, Applebees,  
or Wendy's like Chaska.

We have lived here 44 years. Perkins is  
nice for seniors for breakfast meetings  
& church groups. Please help!
