

**REQUEST FOR ACTION
CHASKA CITY COUNCIL
MARCH 5, 2018**

Subject: Approve Construction Plans for Bavaria Downs Trunk Watermain & Bavaria Road Turn Lane Improvement Projects

Prepared By: Matt Clark, City Engineer

The construction plans are attached for Council's consideration of the public improvement projects associated with the Bavaria Downs project. To accommodate the timing of the new wedding and event center opening date, the water main extension is scheduled to begin in late winter/early spring to accommodate the fire protection renovations being made to the existing home. The road improvements to Bavaria would be scheduled to occur in the summer construction season of 2018.

CITY COUNCIL ACTION REQUESTED

Motion to adopt Resolution No. 2018-20, approving the Construction Documents for the Bavaria Downs Street and Utility Improvements, and authorizing the solicitation of public bids.
