Factors respondents consider when entering a business

Visiting
Businesses

Confidence in the business owner and/or staff	99
Health and safety within the establishment, such as extra sanitizing, employee masks, hand washing, social distancing, etc.	139
Health and safety measures provided for customers, such as masks, hand sanitizer, social distancing, etc.	93
Health and safety measures required of customers, such as masks, hand sanitizer, social distancing, etc.	106
There is nothing businesses will be able to do. I will only feel comfortable going to businesses when testing and tracing is widely available and/or the number of cases has decreased significantly.	24
I don't need any new safety measures, I'm ready to get back to normal. In fact, if there are requirements of customers, I may not visit an establishment.	40
